

The state of Texas is having a sales tax holiday for school supplies up to \$100.00 per item from August 19-21. Because school supply items are included in this sales tax holiday, the below list of items will be state tax free during the holiday period. Please note that you must place your order with Stampin' Up! during the tax holiday period in order to receive these items tax free. Also, keep in mind that this is a state sales tax holiday and may not apply to additional city, jurisdiction, or county taxes.

The following items are tax-exempt during the 2011 Texas sales tax holiday:
