

Why should you join the Stampin' Up!® family through Sheri Thompson?

The support of your upline (the person who recruits you and signs you up) can be an important factor in the success of your business.

You'll want to be sure your upline is going to be able to meet your needs.

Here are a few things I do for my group of demonstrators, and some reasons why you should sign up with me or one of my downline.

1. ***Creativity!*** When you join the Stampin' Up! family through me I will give you a welcome packet of ideas, templates, and business tips. I also include hand-stamped samples to help jump start your creativity and guide you to enjoying worthwhile accomplishments.
2. ***Friendships!*** I hold group meetings, which include lots of project ideas, displays, demonstrations, stamping techniques, Q&A, business tips, and creating! Long distance recruits are included in our group meetings in a unique way and vary throughout the year.
3. ***Recognition!*** Since I earn commission on the sales from the demonstrators on my team, I choose to reinvest some of that money back into our group. I do this by showing my appreciation with rewards for participation and awards for attaining business and personal stamping goals.
4. ***Communication!*** I am here to help you with any of your questions or concerns. Contact me, and I will do my best to help you take care of your business. I have set up a Yahoo group for on-line support, training materials, and contact with other demonstrators in our group. I also send out email updates with lots of helpful information. In addition, I like to meet with new demonstrators to plan her goals to realize her dreams. Finally, with access to additional resources as a Manager, I'm always learning new ways to support my team of demonstrators.
5. ***Success!*** I am a Stampin' Up! award winner, and whether you want to be an award winner or just want to reach your quarterly sales minimums, I can show you how to achieve your goals.
6. ***Advancement!*** For those demonstrators who want to take their business to the next level, I provide a complimentary 6 or 12 week one-on-one mentoring program.
