

Stampin' Up!© Big Shot Materials List

for Bigz, Bigz XL, and Originals Dies

The following materials, listed alphabetically, are approved to work well with the Big Shot machine and Bigz, Bigz XL, and Originals dies. **Please note the maximum thickness of several materials.** As a rule of thumb, you can cut a material with your Big Shot machine and Bigz, Bigz XL, or Originals dies if you can cut it using your Craft & Paper Scissors.
